## Working at Cymer

You will work on world-class technology in a diverse and multi-disciplinary team – and you will live in beautiful San Diego, a place coveted for its idyllic climate, beaches and museums, cultural and sports activities, and a burgeoning center for health and tech businesses. Our San Diego site retains the personal feel of a smaller company where colleagues know each other, yet it is part of a global and highly successful company that offers an unending supply of new challenges and exciting career opportunities.
